## "My Own Summer"

Visit "[My Own Summer](#)" on [MotoLyrics.com](#)

Hey you, big star  
Tell me when it's over

Hey you, big mood, guide me to shelter  
'Cause I'm through  
When the two hits the six and it's summer

Cloud, come  
(Shove it, shove it, shove it)  
Shove  
(Shove it, shove it, shove it)  
The sun  
(Shove it, shove it, shove it)  
Aside  
(Shove it aside)

I think God is moving its tongue  
There's no crowd in the streets  
And no sun in my own summer

The shade is a tool, a device, a savior  
See, I try and look up to the sky  
But my eyes burn

Cloud, come  
(Shove it, shove it, shove it)  
Shove  
(Shove it, shove it, shove it)  
The sun  
(Shove it, shove it, shove it)  
Aside  
(Shove it aside)

Cloud, come  
(Shove it, shove it, shove it)  
Shove  
(Shove it, shove it, shove it)  
The sun  
(Shove it, shove it, shove it)  
Aside  
(Shove it aside)

I think Gis moving its tongue  
There are no crowds in the streets  
And no sun in my own summer

Come  
(Shove it, shove it, shove it)  
Shove  
(Shove it, shove it, shove it)  
The sun  
(Shove it, shove it, shove it)  
Aside  
(Shove it aside)
