So run!  
Right!  
Right back to school!  
Check it...  
Look back I sift through all the cliques  
Roaming' the halls all year, making me sick  
While everyones out tryin to make the cut  
What?  
And when you think you know me right - I switch it up  
Behind the walls smoking' cigarettes and sipping'  
vodka  
I profess to catch a cab, ain't no one can stop us  
Give me a break about some other mess  
What were you?  
Go practice everything you got!

Now push back the square  
Not that you need them - cause you don't  
Well there you go!  
Cause back in school  
We are the leaders of it all  
So...

Stop that quit - all that quit!  
Who ruined it? You did! Now grab a notebook and a  
pen  
Start taking notes, I'm being everyone who's on the top  
You think we're on the same page - but, oh we're not!  
I'll be the man, watch your backpack and the pencils  
Just like he now flippin it, why you just keep it simple?  
You just can't go wrong rocking' the clothes  
Coppin' the stance  
'Cause really is everything that you got!

Now push back the square  
Not that you need them - cause you don't  
Well there you go!  
Cause back in school  
We are the leaders of it all  
So...

Transpose...

Or stop your lies  
It's what you do  
Transpose...  
Or stop your lies

So run!  
So why don't you run, so why don't you run!  
So why don't you run back to school!  
So why don't you run, so why don't you run!

'Cause...  
All you are - Now I'm on the next page  
All you are - It's time to close the book up  
All you are - I'm on the next page  
All you are - Close the book up now!!!

Right back the square  
Not that you need them - cause you don't  
Well there you go!  
Cause back in school  
We are the leaders of it all  
So...

Transpose...  
Or stop your lies  
It's what you do  
Transpose...  
Or stop your lies

So run!  
So why don't you run, so why don't you run!  
So why don't you run back to school!  
So why don't you run, so why don't you run!!!!
