Decide  
Is this it  
Is it?  
Decide  
And it's not your style  
Is it?  
Decide  
Decide  
Is this it  
Is it just fine  
??  
Everything's fine  
Everything is fine  
Everything's just fine  
Everything is FINE  
And we...

You wanted it  
Was it liked  
You dreamed?  
You got it  
Was it like  
It seemed?

I wanna say nothing nothing  
Not a fucking thing  
I just wanna say something something  
SOMETHING

Decide  
Decide  
Is this it  
Is it?  
Decide  
And it's not your style  
Is it?  
Decide  
Decide  
Is this it  
Is it just fine  
??  
Everything's fine

Everything is fine  
Everything's just fine  
Everything is FINE  
And we...

You wanted it

You dreamed?  
You got it and  
Was it like
