It's so simple to look at every little thing I do wrong
It's so simple to overlook every little thing I do right

I think too much, I feed too much
I'm gone too much, I skate too much
I snore too much, I'm blowin too much
I ate too much, I'm way too much, too stuck up

You're probably right this time
But I don't want to listen
You're probably right this time
But I don't even care

I dream too much, I think too much
I step too much, those things too much
I am too much, I'm pissed too much
I need too much, I kinda want to throw

You're probably right this time

But I don't want to listen
You're probably right this time
But I don't even care

And if it was mine to say, I wouldn't say it
And if it was mine to say, I wouldn't speak

[Inaudible]1.30

I'm [Incomprehensible] too much, I think too much
I eat too much, my [Incomprehensible] too much
I feed too much, I piss too much
I sleep too much, I [Incomprehensible]

You're probably right this time
But I don't want to listen
You're probably right this time
But I don't even care

And if it was mine to say, I wouldn't say it
And if it was mine to say, I wouldn't speak
