You can't talk  
I'm anxious  
I'm off the walls, I'm right here just  
Come out side and see it  
But pack your heart you might need it

I'll find a way  
I'll confuse her  
But I think I can try

I will save  
Your life  
I will save  
Your life

I'll try for you  
You're locked up  
You exit  
You did before and I seen it

Come outside and bring it  
Relax your arms and let me in  
I'll find a way  
I'll confuse her  
But think I can try

I will save  
Your life

I will save  
Your life

I'll try  
for you  
I know what to say to take you  
Higher  
Higher

No one else can take you  
Higher  
But I'll try, I will find a way  
I'll confuse her

But I think I can try

I will save  
Your life  
I will save  
Your life

I'll try  
I'll find a way  
I'll confuse her  
But I think I can try

I will save  
Your life  
I will save  
Your life

I'll try for you  
For you
