God Bless Resist Calm down

Contact Reach us Go Wild

I'll taste your name I'll tell off these spades Watch This Calm down Teach us The roads

Your contact it keeps us from roads Remove your veil Every last one I'm on your team Lets go

Face to face not scared My custom made nightmares Armed with teeth in fashion Now all we need is nice shot

God bless Resist Come down

Our contact reach us go wild

Remove your veil every last one I'm on your team I'll be in it too Rockets take you all to-tonight It's time

TAKE ME! I LIKED YOU ALL! TAKE ME!
