I won't stop following you  
Now help me pray for  
The death of everything new  
Then we'll fly farther

'Cause you're my girl  
And that's alright  
If you sting me  
I won't mind

We'll stop to rest on the moon  
And we'll make a fire  
I'll steal a carcass for you  
Then feed off the virus

'Cause you're my girl  
And that's alright  
If you sting me  
I won't mind

'Cause you're my girl  
And that's alright  
If you sting me  
I won't mind

Now lookout, lookout now  
Lookout, sting  
Now lookout, lookout now  
Lookout, sting

Now lookout, lookout now  
Lookout, sting  
Now lookout, lookout now  
Lookout, sting

I see a red light in June  
And I hear cryin'  
You turn newborn baby blue  
Now we're all the virus

You're my girl  
And that's alright

If you sting me  
I won't mind

'Cause you're my girl  
And that's alright  
If you sting me  
I won't

Now lookout, lookout now  
Lookout, sting  
Now lookout, lookout now  
Lookout, sting

Now lookout, lookout now  
Lookout, sting  
Now lookout, lookout now  
Lookout, sting

Sting  
Lookout now, lookout now  
Lookout now, lookout now, stay  
Lookout now, lookout now  
Lookout now, lookout now

Lookout now, lookout now  
Lookout now, lookout now, stay  
Lookout now, lookout now  
Lookout now, lookout now
