SAVORY

Hey angel  
Consider, your position  
Framed to be consumed  
Savory...  
Savoring, your sympathy  
Hey angel  
Fly over, and bless me  
See you feign surprise  
Well I'm all eyes  
And you're all you  
Need to be  
Hey angel  
whatever, position  
We consider fit, to put you in  
You'll protest your...complicity  
Easy now...  
One hand will wash the other (2x)  
Hey angel  
Fly over, and bless me  
See you feign surprise  
And I'm all eyes  
And were are we?  
He thought me (3x)  
Easy now...  
One hand will wash the other (2x)
