Floating under water
Ever changing
Picture hours out from that
Into with all our dreams

The ocean takes me
In to watch you shaking
Watch you wave your powers
Tempt with hours of pleasure

Take me one more time
Take me one more wave
Take me for one last ride
I'm out of my head

Tonight
Tonight
Tonight
Tonight, I

The sound of the waves collide

The sound of the waves collide
The sound of the waves collide
Tonight

Cruising through the city
After hours
With me fusing all our powers
Here's to all our

Take me one more time
Take me one more wave
Take me for one last ride
I'm out of my head

Tonight
Tonight
Tonight
Tonight

The sound of the waves collide

The sound of the waves collide
The sound of the waves collide
Tonight
