No!  
It's not that I care  
(Truly)  
But you're that girl  
(With sharp teeth)  
Who grabs at the walls  
And pulls me down

Well here's my new address  
Six six four, oh I forget

No!  
It's not that I care  
(Truly)  
But you're that girl  
(With gold teeth)  
Who snaps at the walls  
And won't calm down

Well, here's my new address  
Six one five, oh I forget  
There's all your evidence  
Now take it home and run with it

Now write it down  
Now did you get it?  
Get it, so write it down  
Now did you get it?

Get it, so write it down  
Now did you get it?  
Get it, so write it down  
Now did you get it? get it?

Well, here's my new address  
Six six five, oh I confess  
There's all your evidence  
Now take it home and fuck with it

Now write it down  
Now did you get it?  
Get it, so write it down

Now did you get it?  
Get it, so write it down  
Now did you get it?  
Get it, so write it down  
Now did you get it? get it?

So write it down  
Now did you get it?  
Get it, so write it down  
Now did you get it?  
Get it, so write it down  
Now did you get it?  
Get it, so write it down
