Subliminal/territory

Flashing pictures on my screen  
Shown too quickly too be seen  
Does not register in my conscious mind  
Propaganda of another kind

\*chorus\*

They're fucking with me subliminally  
They're fucking with me subliminally  
Danger - nightmare  
Doomsday - nightmare  
Murder - nightmare  
Nightmare - nightmare

They're fucking with me subliminally  
They're fucking with me subliminally  
They're fucking with me subliminally  
They're fucking with me subliminally

\*chorus\*

Watching t.v. I start to cry  
For no reason, I don't know why  
Could it be from messages on my t.v.  
Which I'm getting subliminally?

\*chorus\*

Mind control the easiest way  
Sponsored by the cia  
It's a weapon you cannot see  
It's propaganda subliminally  
They're fucking with me subliminally  
They're fucking with me subliminally

Unkown man  
Speaks to the world  
Sucking your trust  
A trap in every word

War for territory  
War for territory
