you should know (by now)really  
That this could end, really  
You should know I could never make it work  
Wake up  
Let's pretend, really  
Really  
Babe

Do you like the way the water tastes  
Like gunfire  
and you knew but you could never say  
Then come forth cuz its coming round  
Round the water

Beware the water

You should know  
Babe  
At least pretend you did know why  
Its not like you watch so go on take a drink  
Really  
Babe

Do you like the way the water tastes  
Like gunfire  
You knew but it was never safe  
Take one more cuz its coming round  
Round the water

Beware the water  
Beware the water

Teeth are dry  
From wind blows  
If you come drinkin  
There you go

Beware the water  
Beware the water

Beware the water

Do you like the way the water tastes  
Do you like the way the water tastes
