Futari de mitsu keta rojiura no kafe
Mina reta keshiki wo muri yarikaki kesu
Omone ta jikan to aseru omoi
Anatawo tooku he hanashi teshimatta

Omoide nokakerade ima ugoke naihodo mita sare
Sute kirezu dae teru moroi boku gairu

Nido to aise nai aise ruwakemonai
Boku wo yura su kie nai futari no hibi
Tokino nami wo nuke modore rumononara
Bokuha ie ru anatawo hanasa naito

Miushinai soude shizun da toki mo
Itsudemo waratte senaka wo tatai ta
Yume wo teni shitara mukae ni iku to
Kireina kotoba deanatawo yogoshi ta

Motome au koi yorimo atae au koi gaiine
Kidui tara taisetsu naanatahamouinai

Nido to modore nai modore ruwakemonai
Dakedo tsuduku sorezoreno nagai michi
Mita sarenai koto utagau bekijanai
Itsukakitto mata ae ruto shinji teru

Kazoe rarenai musuu no hoshi
Onaji yozora wo dokokade miage teirundarou...

Nido to aise nai aise ruwakemonai
Boku wo yura su kie nai futari no hibi
Tokino nami wo nuke modore rumononara
Bokuha ie ru anatawo hanasa naito
