Sagashiteru bokura wa itsu datte
Yume ga nemuru ano basho wo
Kanashimi mo itsuka wa omoide ni kitto
Kaete yukeru yo

Looking up the endless sky
Searching for reasons of life
We find the Promised Land kitto...

Futari no yokogao
Kasumete kisetsu ga yuku
Iou to shita koto
Kekkyoku kikezu ni ita

Itsu datte dare ni mo namida nado misenai
Kimi ga idaiteru sono negai wo boku wa shitte iru

Arukidasu bokura wa nando demo
Yume ga nemuru ano basho he
Ippo demo akiramenai no nara
Kitto tadoritsukeru hazu
Sagashiteru bokura wa itsu datte
Yume ga nemuru ano basho wo
Kanashimi mo itsuka wa omoide ni kitto
Kaete yukeru yo

Looking up the endless sky
Searching for answers of dream
You find the Promised Land kitto...

Eien mitai ni
Akenai yoru no naka de
Bonyari shita mama
Nandaka nemurezu ita

Yasashisa wa itsu demo
Kimi no tsuyosa datta
