your eyes calling me from one look it is bring me bring my family and I come to your home not  
slowly you are the love of my spirit you are the love of my spirit

all of my life I am waiting the second that you live and be happy between my arms and in my eyes  
and in the pupil of my eyes I am keeps melting

your eyes calling me from one look it is bring me bring my family and I come to your home not  
slowly you are the love of my spirit you are the love of my spirit

all of my life I am waiting the second that you live and be happy between my arms and in my eyes  
and in the pupil of my eyes I am keeps melting

the day which I wishing waiting dreaming about was came

the day which I will staying with her living with her in her eyes was came
