Time on my hand since you've been away boy
I ain't got no plans no no no no
And the sound of the rain in my wind of pain
Is slowly slowly driving me insane

Boy I'm going down
I'm going down
Cause you ain't around baby
My whole world's up side down

Sleep don't come easy
Boy please believe me
Since you've been gone everything's been going wrong
Why'd you have to say goodbye
Look what you've done to me
I can't stop these tears from falling from my eyes

Oh baby I'm going down
I'm going down
Cause you ain't around baby
My whole world's up side down
