(Verse 1)

I've had my share of good and bad news  
I've had to cry when no one else knew  
Felt all alone like nobody could really understand  
But I heard you whisper a sweet melody  
Said give me your burdens, give them to me  
Today I stand, Lord, stronger and wiser because of you

(Chorus)

Because of you  
Because of you  
Because of your love and grace and mercy  
I've made it through  
And no I'm not perfect  
Sometimes I fall  
Yet, Lord, you've been there whenever I call  
And if anyone asks me how did I make it  
It's because of you

(Verse 2)

Strong for my family I have to be  
But tell me who's strong, who's strong for me

Who gives me strength and courage and wisdom to  
make it through?

But there's not a friend, no not one  
None that can help you, not like the Son  
If anyone asks me how did I make it  
It's because of you

Oh

(Chorus)

It's because of you  
It's because of you  
Because of your love and grace and mercy  
I've made it through  
No I'm not perfect  
And sometimes I fall  
But yet, Lord, you've been there whenever I call  
If anyone asks me how did I make it  
If anyone asks me how did I, how did I go through  
If anyone asks me how did I make it  
If anyone asks me how did I go through  
If anyone asks me, Tamia, how did you do it?  
It's because of you
