Oh yeah oh i'm feelin  
This one right here

*[verse]*

Don't know  
I don't know whats going on  
Somethings happened  
I just don't feel the same at all  
When you touch me  
I just have to close my eyes  
Each time you hug me  
Feelings happening inside

*[bridge]*

And i  
Im about to say whats always been forbidden  
Between us

*[chorus]*

Baby somethings about to happen  
Tell me you cannot feel us falling  
You and I are about to become us  
Ohhh

*[verse]*

Feels like  
Feels like I been going crazy for your loving  
And even though we're only friends  
I need much loving  
So much more of you than what you have been giving  
Feel us happening inside

*[bridge]*

And i  
Im about to say whats always been forbidden  
Between us

*[chorus]*

Baby somethings about to happen  
Tell me you cannot feel us falling  
You and I are about to become us  
Ohhh

*[verse]*

We could become one baby  
So much more  
In love  
And I love you baby  
I trust you baby  
With my all

*[chorus]*

Baby somethings about to happen  
Tell me you cannot feel us falling  
Baby somethings about to happen  
Tell me you cannot feel us falling  
Baby somethings about to happen  
Tell me you cannot feel us falling  
Baby somethings about to happen  
Tell me you cannot feel us falling

Were about to become us bout to become us
