"Dance My Dreams"

Spinning, twirling, flying away
Memories guide me from yesterday
Time will reveal my destiny
So why should I fight
What's right for me?

Chorus: I'll live, I'll breathe
I'll dance my dreams

Hold me, kiss me
Look through my eyes
Know me, oh feel me
No more disguise
So why should I fight
What's planned for me?

Chorus

Take my hand
Dance in my world
As I live, I breathe
I dance my dreams
Tomorrow will be mine
Today is ours
I will never let go
Until time unwinds
Today I have just arrived
