[Verse one]

[boy]

There ain't no joy without pian

[girl]

There ain't no sun shine without rain

[boy]

There are no couples who are problem free

[girl]

No there ain't nobody who can make me happy

[Chorus]

I have to go through it with somebody

And baby that somebody is you

I have to go through it with somebody

And i want that someone to be you

[boy]

What would we do

[girl]

What would we do

[boy]

Where would we go

[girl]

Where would we go

[boy]

What would you tell me that i do not know

[girl]

I know that you're mine

[boy]

I know that you're mine

[girl]

Love that you're fine

[boy]

Know that you're fine

[girl]

So you are not perfect i really don't mind

[boy]

Now where gonna argue and were'gonna fuss

That's gonna happen, that is called love

[girl]

And were gonna breakup were gonna make up

Let's stay together, our will take us there

[Chorus]

[together]

All the times been tryin' to find what's right or wrong
Tryin' to tell you yours when i've got some of my own
Let's agree to dis-agree on certin things
Cause we could break-up and move on but it would be
the same old thing somebody elseeee

[Repeat the Chorus 2x]
