With every passing moment
Thoughts of you run through my head
Everytime that I'm near you
I realize that your heaven sent

I think your truly something special
Just what my dreams are really made of
Let's stay together you and me boy
There's noone like you around
Oh Baby

I really like what you've done to me
I can't really explain it, I'm so into you
[2x]

It could be the way that you hold me
It could be the things that you say
Oh I'm not to sure what it is boy
But I know I like feeling this way

I think your truly something special
Just what my dreams are really made of
Let's stay together you and me boy
There's noone like you around
Oh Baby

I really like what you've done to me
I can't really explain it, I'm so into you
[4x]

Oh I really like
What I feel when I'm with you
Your a dream come true
Don't you ever leave my side
Cuz it feels so right

I really like what you've done to me
I can't really explain it, I'm so into you
[4x]

I really like...

(I'm so in to you)
I'm so into you [2x]
