I can't really explain it
I'm so into you now
I wanna be more than a friend to you now
When they ask, I mention my babygirl in the interviews
now
And I don't bring the problems from the 90s into 2thou
There's no reason to have a friend or two now
Cuz the kid's ready to tell you how he feel and a few
vows
Maybe, I speak in general now
But girl, Imma do whatever jus to keep a grin on u now
Where I go, they wear bikinis in the winter too now
What you think about tan lines on the skin of you now?
Why wouldn't I wanna spend a few thou
On fifth ave shopping sprees and them dinners ta chow
I aint concerned with other men will do now
As long as when I slide up in you, you growl
And any dude wit chu,
He better be a kin of you now
And I aint jealous, it's the principle now
I'm so into you

[Chorus: Tamia]

[Verse 3:Fabolous]

I don't wanna trip, but truth is
Girl the way you cook a steak
Remind me of them strips in Roofchris
You love my smile, no matta how chipped my tooth is
Wit chu it aint because my whips is ruthless
I don't sit on chrome, dipped, or deuces
And you aint flattered by Canary's and VS dip tay
seuces
Couple ballas look dumb when they press you

Five and sixes, you don't let them kinda numbas
impress you
Even though I was so unsuccessful
Bein a player was becomin too stressful
But ever since, this superwoman has come to my
rescue
My winter's been wonderful, my summer's been special
That's why the same bar by the villa been painted
Just so we can really get acquainted
The love is real, there's no way you can feel like it's
tainted
But I can't really explain it, uh yeah

[Chorus: Tamia]

When I'm with you (With you)
