You know how I do it
I try to rock ya all night, all night
You know how I do it
I try to rock ya all night, all night, come on

I'm lookin' for one
That can rock me from the night to the daylight
Ain't afraid to go and see what it tastes like
Keep it in the groove, make it stay tight

Is that you?
I'm lookin' for one
That can rock me from the night to the daylight
Ain't afraid to go and see what it tastes like
Keep it in the groove, make it stay tight
Is that you?
Is that you?

Not just my lover, my best friend
Down, down through the thick and thin
With me though the very end
Is what I'm lookin' for

Somebody who understands it's all about me
Does everything in my dreams
Knows just what I need to make me happy
Could you be?

I'm lookin' for one
That can rock me from the night to the daylight
Ain't afraid to go and see what it tastes like
Keep it in the groove, make it stay tight

Is that you?
I'm lookin' for one
That can rock me from the night to the daylight
Ain't afraid to go and see what it tastes like
Keep it in the groove, make it stay tight
Is that you?
Is that you?

You've got to know what it means

When I say, do you love me?
And how much do you think of me
The hook up we've got goin' on, on, on

The most beautiful thing to me, is to see
Two people in harmony
In love
I'm happy to let you know

I'm lookin' for one
That can rock me from the night to the daylight
Ain't afraid to go and see what it tastes like
Keep it in the groove, make it stay tight

Is that you?
I'm lookin' for one
That can rock me from the night to the daylight
Ain't afraid to go and see what it tastes like
Keep it in the groove, make it stay tight
Is that you?
Is that you?

It's everybody's dream
To find the one that was made for them
Even though your chances are slim
You just gotta believe

And when it gets too hard
You can't fall apart
You gotta keep on, keep on
Tryin' to get what you're lookin' for

I'm lookin' for one
That can rock me from the night to the daylight
Ain't afraid to go and see what it tastes like
Keep it in the groove, make it stay tight

Is that you?
I'm lookin' for one
That can rock me from the night to the daylight
Ain't afraid to go and see what it tastes like
Keep it in the groove, make it stay tight

Is that you?
I'm lookin' for one
That can rock me from the night to the daylight
Ain't afraid to go and see what it tastes like
Keep it in the groove, make it stay tight

Is that you?
I'm lookin' for one

That can rock me from the night to the daylight
Ain't afraid to go and see what it tastes like
Keep it in the groove, make it stay tight
Is that you?
Is that you?
