If you're sittin' down
Time to get up, sippin' on somethin'
Drink it up, hit the floor
And rock your body wil'out 'cause its a party hey

If you're sittin' down
Time to get up, sippin' on somethin'
Drink it up, hit the floor
And rock your body wil'out 'cause its a party hey

I saw you for the first time
When you were walking on to the block
You had a fine throw-back, timberlands to match
And now I don't see you no-more

And I'm tryin' to find out where you at
'Cause you would look so much better next to me
Oh,-wait you sexy baby come back this way

If you're sittin' down
Time to get up, sippin' on somethin'
Drink it up, hit the floor
And rock your body wil'out 'cause its a party hey

If you're sittin' down
Time to get up, sippin' on somethin'
Drink it up, hit the floor
And rock your body wil'out 'cause its a party hey

And now I know I'm looking good and no need to
frontin'
All eyes on me, I must be working somethin'
'Bout to hit the floor so tell me who want it
You looking at me so won't you come and get it?

Playa's what's crackin'
I'm asking who's dancin' with me tonight?
Huh, DJ don't stop playin' my song!

If you're sittin' down
Time to get up, sippin' on somethin'
Drink it up, hit the floor

And rock your body wil'out 'cause its a party hey

If you're sittin' down
Time to get up, sippin' on somethin'
Drink it up, hit the floor
And rock your body wil'out 'cause its a party hey

I'm hot but I don't get sweat on my hair
It's still gettin' at you
Girls roll with me, but I can't find 'em
Gimme a second and let me locate 'em

Tell me what you doin' after we close
We're going where everyone goes on the west is hot
spot
And the east is the copshop, south the waffle house
Baby come dance with me

If you're sittin' down
Time to get up, sippin' on somethin'
Drink it up, hit the floor
And rock your body wil'out 'cause its a party hey

If you're sittin' down
Time to get up, sippin' on somethin'
Drink it up, hit the floor
And rock your body wil'out 'cause its a party hey

Ooh whoo, step, step, step, step
Ooh whoo, rock, rock, rock, rock
Ooh whoo, bounce, bounce, bounce, bounce

Hit the floor and rock your body
Wil'out 'cause it's a party hey

If you're sittin' down
Time to get up, sippin' on somethin'
Drink it up, hit the floor
And rock your body wil'out 'cause its a party hey

If you're sittin' down
Time to get up, sippin' on somethin'
Drink it up, hit the floor
And rock your body wil'out 'cause its a party hey
