*[Intro]*

It's so hard having a long distance love  
It seems like  
Well, it just seems like he's so far away  
And when I call him and he doesn't answer  
Well, it seems like the world won't turn  
(Yeah, mmm)  
I just wanna pick up the phone just to hear his voice  
(Yeah yeah yeah yeah yeah)  
I call him and let it ring and ring until he answers  
Just to tell him how much I miss him  
How much I can't stand being this far apart  
(Ooh ooh, yeah)  
But most of all, I wanna tell him  
(Yeah yeah)  
I can't picture being without him  
(Yeah, hey yeah, hey yeah, hey yea)

Can't picture livin' my life without you man  
Can't picture you not bein' around to hold my hand,  
yeah  
Can't picture us sittin' on seperate sides of the land  
I can't picture you bein' this far without me man, man  
Can't picture you with no phone to call me babe  
Can't picture you bein' five miles away, yeah  
Can't picture goin' on another day  
Even if it's just a phone call away

I tried long distance love, I called AT&T  
I tried Bell Atlantic, Sprint  
But none of them connects me to you  
Yeah, ooh ooh, yeah

I tried long distance love, I called AT&T  
I tried Bell Atlantic, Sprint  
But none of them connects me to you

Yeah, ooh ooh, yeah

Can't picture you with another chick, boy I can't eat  
Can't picture it in my mind, I can't sleep  
Can't picture us never bein' more than two feet

Can't picture this love thing not meant to be, be  
Can't picture you not drivin' in my neighborhood  
Can't picture them hatin' on you cuz you too good, yeah  
Can't picture me goin' on another day  
Even though you're just a phone call away

I tried long distance love, I called AT&T  
I tried Bell Atlantic, Sprint  
But none of them connects me to you  
Yeah, ooh ooh, yeah

I tried long distance love, I called AT&T  
I tried Bell Atlantic, Sprint  
But none of them connects me to you  
Yeah, ooh ooh, yeah

1-800  
Dial my man, as fast as I can  
He's my long distance lover  
So far away, my baby

1-800  
Dial my man, as fast as I can  
He's my long distance lover  
So far away, my baby

I tried long distance love, I called AT&T  
I tried Bell Atlantic, Sprint  
But none of them connects me to you  
Yeah, ooh ooh, yeah

I tried long distance love, I called AT&T  
I tried Bell Atlantic, Sprint  
But none of them connects me to you  
Yeah, ooh ooh, yeah
