Iâ€™ve been waiting, to taste your kiss
Touch you in the dark, hold you to my heart
Iâ€™ve hoping, for that moment
Weâ€™ll be making love, now the time has come

Come with me tonight
Share my dreams
Change my life

Make tonight beautiful
Make tonight something more in any night
(In any night Iâ€™ve ever known)
In my life before (make it beautiful baby)
Hold me close and donâ€™t let go
Play with me and stay with me tonight

Make tonight a beautiful night
Turn the lights down tonight
Thereâ€™s a world of love
Waiting there for us
Let me take you (yeah) to that place you
Never been before, open up the door

To a dream come true
Take my hand
And show me how to make

Make tonight beautiful
Make tonight something more in any night (something
more)

(In any night Iâ€™ve ever known ever known)
In my life before (make it beautiful baby)
Hold me close and donâ€™t let go
Play with me and stay with me tonight

Make tonight a beautiful night
Oho oohoho
And show me all the magic
The night can bring
You see youâ€™re my door to heaven
Youâ€™re all I need

I waited all my life
To look in to your eyes
So stay with me, make love to me
And make (it beautiful)
Make tonight beautiful (Make it make it something
more)
Make tonight something more in any night
(Than any night Iâ€™ve ever known, Iâ€™ve ever known)
In my life before (make it beautiful baby)
Hold me close and donâ€™t let go
Play with me and stay with me tonight (x2)

Oohh yeah
Oooh yeah yeah
Make tonight a beautiful night ooooh
