(Tamia)

Here we are right now, my baby.  
Saw you standing in the crowd, just waitin',  
For me to call you out, and take this, to another level...  
baby.

I feel it comin' on, I'm anxious,  
It's really catchin' on, contagious.  
Our eyes are having conversations,  
And I'm starting to lose my patience.

Mr. Cool... (Hey baby)

I'm open on, everything you do.(everything you do)  
I wanna know, is this cool?(I'm saying I)

I'm sayin' I like the way you move.

I wanna know... Mr. Cool...

(Mario Winans)

Hey baby...

I've been tryin' to get it trough, my lady.  
And you know I want to go quit playin',  
I'm trippin' on how long it's takin'...  
I want to get to know, you better,  
There's so much we can do, together baby.  
Girl don't make me wait, forever.

I'm feelin' like it's now or never... baby...

(Together)

Mr. Cool... (My lady)

I'm open on, everything you do. (And I'm feelin you)  
I wanna know, is this cool? (My baby, ow yes it is)  
I'm sayin' I like the way you move. (And I like you too...)  
I wanna know... Mr. Cool...

(Tamia)

If you open up to me,  
Baby then you will recive,  
Everything you'll ever need,  
Do you know what this could mean?  
You should listen to your heart,  
Here and now is where it starts,  
Baby come and talk to me,  
I wanna know...yeah

Mr. Cool...

I'm open on, everything you do.  
I wanna know, is this cool?  
I'm sayin' I like the way you move.

I wanna know... Mr. Cool...  
I'm open on, everything you do.  
I wanna know, is this cool?  
I'm sayin' I like the way you move.  
I wanna know... Mr. Cool...
