Here we are right now, my baby.  
Saw you standin' in the crowd, just waitin',  
For me to call you out, and take this, to another level...  
baby.  
I feel it comin' on, I'm anxious,  
It's really catchin' on, contagious.  
Our eyes are having conversations,  
And I startin' to lose my patience.

Mr. Cool... (Hey baby)  
I'm open on, everything you do.  
I wanna know, is it's cool?  
I'm sayin' I like the way you move.  
I wanna know... Mr. Cool...

*[Mario Winans]*

Hey baby...  
I've been tryin' to get trough, my lady.  
And you know I want to go quit playin',  
I'm sittin' home alone, it's takin'...  
I want to get to know, you better,  
There's so much we can do, together baby.  
Girl don't make me wait, forever.  
I'm feelin' like it's now or never... baby...

*[Together]*

Mr. Cool... (My lady)  
I'm open on, everything you do. (And I'm feelin you)  
I wanna know, is it's cool? (My baby, ow yes it is)  
I'm sayin' I like the way you move. (And I like you to...)  
I wanna know... Mr. Cool...

*[Tamia]*

When you open up to me,  
Baby then you will recive,  
Everything you'll ever need,  
Do you know what this could mean?  
You should listin' to your heart,  
Here and now is where it starts,  
Baby come it's up to me,  
I wanna know...

Mr. Cool...  
I'm open on, everything you do.  
I wanna know, is it's cool?  
I'm sayin' I like the way you move.  
I wanna know... Mr. Cool...

I'm open on, everything you do.  
I wanna know, is ti's cool?  
I'm sayin' I like the way you move.  
I wanna know... Mr. Cool...
