My

No one else turns me on  
the way you do seems  
to me you dont understand  
my love i've givving you  
the chance  
but you blew it more then  
once my love is all you  
have for now and you throw  
it away

my love is all you have for now  
dont nobody else love you like  
i love you dont nobody else  
care for you like i care  
dont nobody love you like i do

my love is all you have for now  
dont nobody else love you like  
i love you dont nobody else  
care for you like i care  
dont nobody love you like i do

why'ed you half to say goodbye  
when i was the one who loved you  
look what you dontto me now i'm crying  
and wishing you where here  
you was my destiny pain is  
my worstes enimee

my love is all you have for now  
dont nobody else love you like  
i love you dont nobody else  
care for you like i care  
dont nobody love you like i do

my love is all you have for now  
dont nobody else love you like  
i love you dont nobody else  
care for you like i care  
dont nobody love you like i do

i hope you understand why i try to be a  
btter man make you understand my love  
is all you have

i hope you understand why i try to be a  
btter man make you understand my love  
is all you have

i'm still here thinking about it  
almost forgot why you let my love  
go

my love is all you have for now  
dont nobody else love you like  
i love you dont nobody else  
care for you like i care  
dont nobody love you like i do

my love is all you have for now  
dont nobody else love you like  
i love you dont nobody else  
care for you like i care  
dont nobody love you like i do

why did you half to leave me  
why did you half to say goodbye

my love..love..love..
