I don't even know the reason why  
You tell me that it's time to say goodbye, yeah  
You can't even look me in my eye  
Did i do somethin' wrong  
If you tell me that the love is gone  
I'll move over and I'll let you move on yeah  
But I know that the love is still strong  
So I keep holdin' on

Oh I'm never gonna let you go  
Even though it's breakin' my heart  
All I'm tryin' to do is let you know  
We can make a new start  
So I'm never gonna let you go  
Even though it's tearin' me apart  
All I'm tryin' to do is let you know  
We can make a new start

I remember back when we first met  
The kind of love that you'd never forget  
Makin' love till we were soakin' wet  
And you're still on my mind, oh

After all the things that we've been through  
You gotta give me time to talk to you  
That's the very least that you can do  
We can work it out with time  
Oh I'm never gonna let you go  
Even though it's breakin' my heart  
All I'm tryin' to do is let you know  
We can make a new start  
So I'm never gonna let you go  
Even though it's tearin' me apart  
All I'm tryin' to do is let you know  
We can make a new start

Whatever you want, I'll make it right  
Whatever you need, I will provide  
I really want  
You in my life  
We can make a new start

Wherever you are, I will be there  
The love that I give, none can compare  
All that I have, I'll gladly share  
We can make a new start

Oh I'm never gonna let you go  
Even though it's breakin' my heart  
All I'm tryin' to do is let you know  
We can make a new start  
So I'm never gonna let you go  
Even though it's tearin' me apart  
All I'm tryin' to do is let you know  
We can make a new start
