Officially missing you
Take one
Hmm mmm

All I hear is raindrops falling on the rooftop
Ooh baby tell me why'd you have to go?
'Cause this pain I feel it won't go away
And today I'm officially missing you

I thought that from this heartache I could escape
But I fronted long enough to know
There ain't no way and today
I'm officially missing you

Ooo can't nobody do it like you
Said every little thing you do
Hey baby say, stays on my mind
And I, I'm officially

All I do is lay around, two ears full of tears
From looking at your face on the wall
Just a week ago you were my baby
Now I don't even know you at all, I don't know you at all
So that I could get through to you somehow
But I guess it's safe to say baby, safe to say
That I'm, I'm officially missing you

Ooo can't nobody do it like you
Said every little thing you do
Hey baby say, stays on my mind
And I, I'm officially

Well I thought I could just get over you baby
But I see that's something I just can't do
From the way you would hold me
To the sweet things you told me
I just can't find a way to let go off you

Ooo can't nobody do it like you
Said every little thing you do
Hey baby say, stays on my mind
And I, I'm officially

It's official
You know that I'm missing you
Oh yea yes, all I hear is raindrops
Ooh yea
And I'm officially missing you
