Hmm...  
Ooh...ooh...

All I hear is raindrops falling on the rooftop  
Oh baby, tell me whyd you have to go  
Cause this pain I feel it wont go away  
And today Im officially missin you

Abducted from this heartache, I could escape  
But Ive heard it long enough to know  
There aint no way  
And today Im officially missing you

Ooh...cant nobody do it like you  
Said every little thing you do, hey, baby  
Sid it stays on my mind  
And I-Im officially

All I do is lay around, 2 years full of tears  
From looking at your face all over  
Just a week ago you were my baby  
Now I dont even know you at all, I dont know you at  
all

Well, I wish that you would call me right now  
So that I could get through to you somehow  
But I guess its safe to say, baby  
Safe to say that I-Im officially missin you

Ooh...cant nobody do it like you  
Said every little thing you do, hey, baby  
Said it stays on my mind  
And I-Im officially

Well, I thought I could just get over you, baby  
But I see theres something I just cant do  
From the way you would hold me  
To the sweet things you told me  
I just cant find a way to let no one through

Ooh...cant nobody do it like you

Said every little thing you do, hey, baby  
Said it stays on my mind  
And I-I'm officially

Its official  
Hoo, you know that I'm missin you, yeah, yes  
All I hear is raindrops, oh, yeah  
And I'm officially missin you
