If you're sittin down, time to get up
Sippin on somthin, drink it up
Hit the floor and, rock your body
Wile out cus, it's a party, Hey

If you're sittin down, time to get up
Sippin on somthin, drink it up
Hit the floor and, rock your body
Wile out cus, it's a party, Hey

I saw you for the first time,
when you were walking on to the bar

And I'm tryin to find out where you at cus
You would look so much better next to me
Oh wait you sexy baby come back this way
