He said, It's like the grass that grows between the  
cracks of ghetto streets, relentless inspite of the  
neverlasting, I  
said baby dam you got lyrics, make it like poetry!

*[Verse]*

The thugged out pimped out imagines release them  
save those roles for the young souls who believe them I  
want the  
undefineable, indescribable and more, but so clear  
when you walk through that door, I said I want it hard,  
mystical,  
tender and correct without expectations with all of that  
met. Take me around the world, but please come  
direct, speak to  
me, speak to my heart

*[Chorus]*

Make it like poetry, make it like poetry, poetry, poetry,  
give your flow slow to me give all night  
Make it like poetry, make it like poetry, poetry, poetry  
everything wrong you see make alright, make it like

*[Verse]*

Kisses of raindrops wash away the pain, each stroke is  
a journey on a long train to a new destination, new  
meditation in  
love relization of possibilities he says to me I've given  
hard, mystical, tender and correct, without  
expectations yet all  
of them met, take me around the world, but please  
come direct speak to me, speak to my heart.

*[Repeat Chorus]*

Make it like  
To be or not to be won't be any question  
Make it like  
The sling of arrows of outrageous love are gone  
Make it like  
A dream I can touch, a dream I can feel.  
Make it like  
Only you, only you can take me there  
Make it like

Poetry, Poetry, Poetry

*[Repeat Chorus until fade]*

Yeah Poetry
