Sitten here on the job and
hopein that you would call me
my eyes, my eyes are tired from
sittin up and just talkin all night
my supervisor noticed I'm kinda slow for today
my girlfriends also noticed
I'm joyful want can I say
Its only been two months but
I'm prayin that you're the one
Please baby be the one
Please baby be
Keep replayin your kisses
Can't get them out of my mind
I tried
My work is piling up and
who guess that I get behind
but that's find
It's only 12:07
I take my first break at 2
It seems I have a message

I hope to God that it's you
It's only been two months but
I Prayin that you're the one
Please baby be the one
Please baby be
Nah, Nah, Nah, Nah [3x]
Nah, Nah
It's 2:15 I'm smilin
I hear your voice on the phone
Oh my
Tell me you wanna see me
Can't wait until I get home
Tonight
My mind said slow it down girl
this thing right here is so new
but my heart saids keep it movin
two thoughts but I'm not confused
It's only been two months but
I Prayin that you're the one
Please baby be the one
Please baby be
