(I don't like it)
I don't like it man
When every dude in the club
Tryna grab my hand
(I don't like it)
When I'm walking by
You tryna say something sick
Cause I'm looking fly
(I don't like it)
When you calling out my name
And get mad cause I said no to your drink

Pre Chorus
Why can't you just let me breathe
Enjoy the music
Get off of me
You'.

Chorus
You make me wanna pull my hair out
You're the reason that I don't like going out
Stand here kickin that madness out your mouth
(I'm too grown for dat, too grown for dat)
You make me wanna pull my hair out
You're the reason that I don't like going out
(I'm too grown for dat, too grown for, just to grown for
dat, too grown for dat)

(I don't like it)
When you standing by me
And you tryna sneak over and stand behind me
(I don't like it)

When you step on my feet
Cause you dancing all hard to them Darkchild beats
(I don't like it)
When you pullin' on me
Talkin' bout 'Can I get you in VIP'

Pre Chorus

Why can't you just let me breathe
Enjoy the music
Get off of me
You'.

(If I didn't have to I)
I wouldn't even be here
(Because I don't mean that, that I)
Want you all up in my ear
Just in case you didn't hear me (hear me)
I'm a say this once more clearly (clearly)
Why don't you just give it up
I'm not gettin' in your truck
Boy you make me wanna

Said you wanna make me a star
(But I am that)
When you gonna come with some new game
Say you gonna buy up the bar
(I don't drink that)
Wanna get me a new car
