Missy]

Yeah, I'm back in this joint right here

For all my people who

Who sick of playin' seconds and

And takin' somebody's leftovers

Get out the back seat, take the passenger seat

Ya know what I'm sayin'?

Heh, ya'll feel me? Y'all feel me?

Hear me out

[Tamia]

Is it me or her babe?

You gotta make your decision

Cuz you got the wrong impression

I don't want nobody's seconds

I just want all of you babe

I'm used to gettin' what I like

Just to curve my appetite

Serve you on a flame with a first class flight

[Tamia]

I wanna be the girl you take to your crib

And not the girl you hate to show where you live

I wanna be the girl for you all your life
And not the girl you're thinkin' of late at night

[Tamia]

Let's be truthful please
Will she always be around?
I need to know right here and now
Can I bury her underground?

I just want all of you babe
And she's always in the way
And she's always in your face
Am I the one who's being played?

[Tamia]

I wanna be the girl you take to your crib
And not the girl you hate to show where you live
I wanna be the girl for you all your life
And not the girl you're thinkin' of late at night

[Missy]

Not your chick on the side
I wanna be your main chick
So you gon' have to pick
Between Lisa, Kim and Stacy, and whoever
Not your chick on the side
I wanna be your main chick
So you gon' have to pick
Between Lisa, Kim and Stacy, and whoever

[Tamia]

I wanna be the girl you take to your crib

And not the girl you hate to show where you live

I wanna be the girl for you all your life

And not the girl you're thinkin' of late at night

I wanna be the girl you take to your crib

And not the girl you hate to show where you live

I wanna be the girl for you all your life

And not the girl you're thinkin' of late at night

[Missy]

Uh uh uh uh, uh uh uh uh

Uh uh uh uh, uh uh uh uh

Ah ah ah ah, bap bap bap brr-ap

Ah ah ah ah, brr-ap

Ah ah ah ah, yo yo
