yeaa ooh ooh

yea we all most blew it  
had a thang so perfect  
i was scared  
i wanted to find something wrong (ooh)  
so i put you through it  
and i made excuses  
tried to turn you away  
i knew i was wrong (ooh)  
'cause when you went away  
something so strong  
i didn't know until you were gone (ooh i didn't know)

whisper sweet nothings (ooh nothing) in my ear  
tell me all the things that i long to hear (baby u gotta  
whisper)  
whisper sweet nothings (ooh nothing) in my ear  
let me know that you feel the way i do

hearing your voice it took me back to the way it should  
be  
passions so strong it feels like i'm losing my mind  
you gotta please forgive me  
yes so i tripped completely  
what can you do (ooh)  
when love gets hold of you (ooh)

'cause when you went away something so strong  
and i didn't know until you were gone (ooh i didn't  
know)

whisper sweet nothings (ooh nothing) in my ear  
tell me all the things that i long to hear (baby u gotta  
whisper)

whisper sweet nothings (sweet nothing) in my ear  
let me know that you feel the way i do

whoa whooa whooa whoa whooa

oh babe i knew i was wrong

i need those sweet nothings whispers  
baby you need to understand  
these feelings so strong  
right by your side is where i belong  
ooh i'm on my way home

whisper sweet nothings(ooh nothing)in my ear (in my  
ear)  
tell me all the things that i long to hear (baby u gotta  
whisper)  
baby you gotta whisper sweet nothings(ooh nothing)in  
my ear  
let me know that you feel the way i do(whoa)

whisper sweet nothings(ooh nothing)in my ear  
tell me all the things that i long to hear  
whisper(ooh whisper)sweet nothings(nothing  
nothing)in my ear  
let me know that you feel the way i do(whoa whoa  
whoa)

baby im on my way home  
(whoa) until fades out  
(laughs) at the end
