*[VERSE 1:]*

Hurry up and make a move do something  
I'm trying to leave  
I'll admit you got me jacked up thinking  
You coming with me  
Every time I see you look in my direction  
I wanna find a way to get you attention  
Come over say something  
I need to know

*[CHORUS:]*

Why can't it be  
Cuz I been looking for that special guy  
Why can't it be  
You been looking for that special girl  
Baby why can't it be  
Why  
That you and me  
You'll be all that I'm thinking about  
And I'll be all  
All you dreaming of

*[VERSE 2:]*

See you looking on the down low  
You making me smile  
I can think about nothing else baby  
You driving me wild  
Wanna find a way to get your attention  
Baby look at me in all of my dimensions  
I need to know something

Tell me what's up

*[CHORUS:]*

Why can't it be  
Cuz I been looking for that special guy  
Why can't it be  
You been looking for that special girl  
Baby why can't it be  
Why  
That you and me  
You'll be all that I'm thinking about

And I'll be all  
All you dreaming of

*[VERSE 3:]*

Why couldn't we be more than just friends  
Or we could chill and just see what happens  
We don't have all night to drag this thing out  
I gotta know from you  
Say you want me to

*[CHORUS x2:]*

Why can't it be  
Cuz I been looking for that special guy  
Why can't it be  
You been looking for that special girl  
Why  
Baby why can't it be  
That you and me  
You'll be all that I'm thinking about  
And I'll be all  
All you dreaming of
