Shut up! Shut up, I know what I want  
Fuck you, suit and tie guy  
My life, the way I live it

No God, can stop my vision  
This earth, means nothing to me  
My way, I do it my way

[Chorus]  
But I don't know where to go [4x]

*Tell me, why you hate me  
Don't tell, I know the reason  
Feelings, don't know what that means*

*Freedom, I laugh about that  
Friendship, yeah keep on dreaming  
My girl, that's where I die for*

*This is my life, just leave me alone  
This is my life, it's not your life  
This is my life, just let me do my things  
This is my life, I know what's best for me*
