I don't give a damn about fashion but that's just what  
counts today  
You only talk about trade-mark but there is a lot more  
stuff to say  
I thought punkrock had some ideals, you know,  
struggle against the grain  
I thought NO fashion was our fashion, I think that's  
something to maintain

Why should we care about shoes & trousers? If people  
die of starvation  
Would it make me a better person if I drink 'The Choice  
of a New Generation'?

[Chorus]

I don't care, what kind of shoes you wear  
I don't give a fuck, if you walk on Vans or Airwalk

I don't see much difference between Nike and  
Champion  
But I do know that a Marxian is not the same as a  
Christian

I thought music was the main thing, not the color of my  
hair  
Inliner vs skater? if you break your legs you'll get a  
wheel-chair

If we turn off the lights, we're all the same  
So struggle on together, that's our only game

I don't care, that you your shoes are Nike Air!
