De Heideroosjes - I'm Not Deaf...I'm Just Ignoring You

=====

You're always yelling on my head  
Screaming things that I know yet  
Don't do this and don't eat that  
Don't you fart and don't grow fat  
Stay off drugs, never have faith  
Have safe sex or masturbate

Chorus:

Im not deaf...Im just ignoring you! (4x)

I have a life and it's all mine  
Don't you dare to touch it when I feel fine  
And if you don't like the way I live  
Im sorry but I won't change just to give  
To give you the feeling it's under control  
Cause being myself means being free at all

Chorus

Would you please shut up so I can tell you this  
Keep your mouth shut cause it stinks like fish  
Just leave me the fuck alone  
Please, shut up my head's turning into stone  
And always when you tell me what I have to do  
Remember Im not deaf, Im just ignoring you

Chorus (2x)

{The title of this song says almost everything I can say  
about  
this one. As long as you live, there are always people  
who  
try to tell you what you have to do, how you have to act  
and  
even what you have to think. The message is to all  
those people  
and the message is simple FUCK OFF!}
