let me tell you this by De Heideroosjes  
Let me tell you this  
Twelve years ago the world was shocked  
Because some people tell the truth  
They make music and called it PUNK-ROCK  
And the lower classes started to move  
The middle class say it just a fake  
It's scum and it keeps me awake  
They boycott them and began to dare  
But that was stupid cause they started a war

So let me tell you this  
So let me tell you this  
So let me tell you this

Punk it's never gonna die  
Always survive and you don't know why  
O dear, you think you're gonna win  
But there ain't no army that's stronger than our vim

Don't listen to the people who say it's a gimmick  
It's a cheap excuse cause their mind is sick  
There is only one rule: do only what you wanna do  
Cause it's our life and we don't wanna live like you Refr
