I fell in love  
With the beauty of  
Mother nature's gift to great South Africa

But it struck me when  
I saw those black men  
Live township life in Mamelodi East Pretoria

Remains of an unfair system, it was not supposed to  
last  
Black page in the book of stories of the white man's  
past

We, Dutch white punks  
Built up our gear  
Hey, we made a difference, rock, rock, rock a black  
high school!

Yeah, yeah, yeah  
Mamelodi Melodies

We drove into  
Another world and I  
Could only stare at clouds from burning trash filling the  
air

And I felt like  
A silly tourist on  
A cheap trip into other people's daily misery

But I met cool blacks and whites telling me they really  
try  
To fight against their prejudice, look each other in the  
eye

We, Dutch white punks  
Built up our gear  
Hey, we made a difference, rock, rock, rock a black  
high school!

1 for the shine that glows on your face  
2 for the melenin that and origins trace

3 for the color of all melodies face  
Trinity for all my equal people takes over the space  
Coz siyaphanda, siyakhanda sihloksa amakhanda  
Ngoba sthanda sanda ngukfakeli sandla  
Manje ngiyawanda phakathi kwabo ubani ozong thanda  
Angsiza amandla sibe inkosi nabo ngok thanda  
Ngoba sithule tu vele mele skhulume toe  
Ksele kuwe ukuthi uzbone uzkhulule ku-lula  
Vula amasango sicu-le  
Mbhubhe kuze kube kude  
Qhude biza ilanga sibemunye  
Sebenze kabunye ngoba thina sithunwe  
Kunye angakusho akzokwenza kune  
Hlanyisa umoya futhi sizokwenzu thuke  
Thuka ngenjabulo uzbone uphuka khula sula  
Loko okzok hlula phuma  
Sibe ilabantu bamanje sibonisane kukanje  
Ngama langa langa phantsi manzi  
Sthelele sibe ila abantu bezimbhali khali mali  
masngahlali sthathis' skhali  
Singalali sisvikele kwez ngacaci kamiliko yamelodi  
mamelodi for u let us  
Shine like what!

Ek sal nooit vergeet, die fantastiese tijd  
Mamelodi Melodies  
En ik sal onthou, hou hulle saam aan more bou  
Mamelodi Melodies
