It's his job, a way of life  
Sees the news as his wife  
Lights, camera, here we go  
Another scoop for tonight's show  
Rape, riots in the neighbourhood  
He can't offer help, he's there to  
Shoot !  
It's his job, to feed the footage  
Bring the news, show the rough edge  
Sorrow taping, daily stuff  
Wicked world, shots enough  
Starvation, children beg for food  
He can't offer help, he's there to  
Shoot!  
One day, inward conflict, what will he do?  
Score that scoop or help someone through?  
Everything to tease the viewer  
Even lower than the sewer  
Execution on the air  
Commercial break; hold on the chair!  
No longer give a hoot  
Delete humanity, he's there to  
Shoot
