Attention, Attention

This is an EO-service announcement (\*1)

All of the dirty words since reports and persons in this  
song

Do not mirror historic or true-based facts.

If it still, unexpected, shocks you

Then, then, Jesus Christ, I don't know what then!

I was sitting in a sauna, y'know

Such a hot spot

Where you get in naked and al, and where it's hot and  
al,

Is there an Easter Bunny coming in, y'know,

With those big ears, y'know

He spreaded his legs and says to me:

"You've got a nice ribbon around your nuts"

I say: "What?"

He says: "You've got a nice ribbon around your nuts"

I say: "I don't have a ribbon around my nuts man, look  
at your own nuts!"

He says: "Oh, do you want to see my nuts? Oh, do you  
want t see my nuts?"

I say: "I don't want to see your nuts dude!"

I got pretty sick of that animal, dude

I thought, get the fuck out of here

I'm walking out,

I see the thermostat and think: 'hehehehe'

THEY'RE MELTING THE EASTER BUNNY!!

"But daddy, the Easter Bunny doesn't exist, does it?"

"You must shut the fuck up filthy-out-of-the-womb-  
pulled-cunt-child!

If you open your fucking mouth one more time, I bob  
your scrotum away

And don't ask those stupid questions, alright?"

Right, nice, an evening in the sauna

So after that I went to the snack bar, y'know, eat a bit

I was standing in the queue, y'know, and felt  
something on my back

I turned around and thought:

"Oh no. Nooo!! NOOOO!! IT'S THE EASTER BUNNY!!  
Oh shit, oh no, don't cry"  
He says to me, he says:  
"Oh, do you want to see my nuts?"  
"Mmmmmâ€¦ YES!!! I WANT TO SEE THOSE NUTS!!!  
COME HERE WITH THOSE BALLOONS!!!"  
I pulled off his scrotum  
And his nuts were falling all over the floor  
It was like: \*poing, poing, poing poing\*  
I scream: "I'm sick of you, fucking animal!"  
I grabbed him by his ears and threw him in that boiling  
grease-cup  
Kssssss, right, nice and clean.

(\*the sauna and snackbar adventure is (probably) full  
of mistakes, but the accent Marco talks here has wrong  
vocabulary in Dutch tooâ€¦!)  
(\*1 EO is an extremely conservative Dutch TV-channel)
