When the dawn comes over the mountain  
& when the valley is filled with dew  
Don't worry baby (don't worry baby)  
Baby don't you worry (baby don't you worry)  
Because I'm comin' home to you  
Yes I'm comin' home

& when the moon rises to kiss the stars above  
& when it sets deep in the blue  
Don't worry baby (don't worry baby)  
Baby don't you worry (baby don't you worry)  
Because I'm comin' home to you  
Yes I'm comin' home

Don't worry 'bout me 'cause I still love you  
(Don't worry, baby don't you worry)  
Don't worry 'bout me, oh no; I'll be there  
(Don't worry, baby don't you worry)  
Ohhhhhh, I still love you (I still love you)  
& I always will (I always will)  
Till my life is over  
Baby, till time stands still  
Oh till time stands still

(over nonstop backing "don't worry, baby don't you worry"):

Don't worry 'bout me; I still love you, baby  
Don't worry 'bout me, for I need you, baby  
I say don't, don't, don't, don't worry 'bout me  
Don't, don't, don't, don't, baby don't you worry  
Because I I I I I still love you, baby  
...& fade
