Ooo, feelin', baby
Runnin' through me
That lovin' feelin'
Baby, really got to me and I

Can't stop now
His sweet love is callin' and I
Can't stop now
Deep inside I know I'm fallin'

I've taken the first step toward his love and affection
Now all the best in happiness just lead in his direction
But somethin' inside me tells me I'm fallin' too fast
Tellin' me only fools rush in and his love might not last
but I

Can't stop now
His sweet love is callin' and I
Can't stop now
Deep inside I know I'm fallin'

Now as he holds me tight, to him I give my heart and
soul
Filled with a growing love inside that's too big to control
What future lies before me I am not aware
As long as he holds me tight, the outcome I don't care
'cause I

Can't stop now
His sweet love is callin' and I
Can't stop now
Deep inside I know I'm fallin'

I got this feelin' the first time that I met him
And it keeps growin' stronger and I just can't forget
him
Love instantly came over me when he first held me
tight

I couldn't resist his tempting kiss, too weak to try and
fight
Such a wonderful feelin' swept through my grateful

heart
I'm feelin' fine and lovin' time, it's about to start and I

Can't stop now
His sweet love is callin' and I
Can't stop now
Deep inside I know I'm fallin'

Ooo, this feelin', baby, is growin' strong
Can't resist this lovin' feelin' any longer
Ooo, this feelin', baby, is growin' strong
Can't resist this lovin' feelin' any longer

Just too much to hope for
