Tammi:

My lovin' heart would shake
Oh how it would break
If you should ever go
I'd never need to wake
My need for you's so strong
It's here that you belong
If you said you had to leave
Leave unexpectedly

CHORUS (Tammi):

Oh how I'd miss you
Baby, when you're gone
Oh how I'd miss you
Baby, when you're gone

Mystery Guy:

No tears could ever free
This hurt inside of me
If you took away your love
My world would cease to be
My world would fill with pain
& empty arms again
I'd reach out for your touch
That warms my heart so much

(chorus)

(instrumental)

Tammi:

When starlight shadows fall
& you're not here at all
In my mind the thought
Of you will linger on
'Cause we both know
True love is hard to find
What will my heart do
If you say we're through?

(chorus x2)
