I love you, darlin', I need you, baby  
This old heart of mine is weary and weak for you  
I love you, darlin', I need you, baby  
This old heart of mine is weary and weak for you

This old heart of mine has been broke 1000 times  
Each time you break away, I fear you're gone to stay  
Lonely nights that come, memories that go  
It's bringin' you back again, it's hurting me more, more  
and more

Maybe, maybe, it's my mistake  
To show this love, this love I feel inside  
'Cause each day, each day that passes by  
You've got me never knowin' if I'm comin' or goin'

But yes, I do  
(I love you, I need you)  
This old heart, darlin', is a weak for you

I try hard to hide all my hurt inside  
This old heart of mine always keeps me cryin'  
The way you treat me leaves me incomplete  
When you're here for the day  
You know that you're gone for the week

But if you leave me 100 times  
You know that 100 times, I'd take you back  
'Cause I'm yours, I'm yours whenever you want me  
And I'm not too proud to shout it  
You've got me tellin' the world about it

'Cause yes, I do  
(I love you, I need you)  
This old heart, darlin', is a weak for you  
(I love you)  
Yes, I do  
(I need you)  
This old heart, darlin', is a weak for you
